# Dedication

**It's Not Easy**  
We've found it easy to laugh and cry. And to ask who, what, how, and why. We've learned to walk and then to run, and we've learned our manners and our ABC's. And how to swim through the seven seas. But we've found that the hardest thing of all is to pick yourself up when you stumble and fall. It's not easy to admit that you've been wrong. And it's not easy to help the other guy along. It's not easy when you're down to look up at the sky. And it's not easy at all to say "good-bye"

Denise Fisher

# Co-Dedication

## Memories

Memories are made of  
things that happen every  
day. Moments as we live  
them, Things we do or say.  
But since memories keep  
building, each day can be  
the start. Of mankind new  
and happy ones, To store  
within the heart!

Alice E. Chase

## *They are all gone*

They are all gone into the world of  
light! And I alone sit here; Their very  
memory is fair and bright, and my sad  
thoughts doth clear.

# Student Council

Officers: Pres. Kathy Burkett, V-Pres. Carolyn Scarf; Sec. Sheila Francis  
Treas. Julie Rist, Advisor Miss Rita Tripeny

The Student Council, advised by Miss Tripeny, is the hard-working decision-making body of St. Lawrence Central.

The President and Vice-President are elected by the entire student body, while the class representatives are elected by the students in each homeroom.

Student Council governs all decisions regarding school activities. A very democratic procedure is mandatory and followed in order to assure each class an equal opportunity for fund raising events.

It is an honor and a privilege to serve on the council, but it is also a tedious position with few rewards.

St. Lawrence Central School was named a winner in Canada's Book Presentation Program Competition sponsored by the Canadian Embassy. The award is a valuable collection of one hundred books about Canada which was added to the high school library collection. There was a formal presentation ceremony held here with participants from the school and representatives from the Canadian Consulate.

Last spring the members of the Library Council attended Open House at Chateaugay School Library Club, on April 30, 1974. This day was proclaimed by Governor Malcom Wilson as School Library Media Day, the first to be held in New York State. They hope to have a book fair during National Library Week, April 14-18, as a fund raising event.

The season began with the long trip to Beekmantown. Even though the Eagles had quite an advantage in size, the Larries played well and tied the game in the final quarter. Some last minute lapses led to losses to Tupper at Tupper and Saranac (score came in last 2 minutes). When Tupper came to Brasher, little went well as the score shows. The final Saturday had an unbeaten Beekmantown team confidently traveling to Brasher. The Larries showed what they were made of and made everything click! Beekmantown left the "once-defeated" as the 7th and 8th grade football team finished 1-3-1.

## The Champs

Strike another one up for the Womens Lib Movement. Football was always considered a boys sport but now it's beginning to catch on in the ranks of the opposite sex.

This year the Juniors of SLC took the championship with a decisive 18-6 victory over the up and coming Freshmen. Both teams proved determined in competition as the Freshmen beat the Sophomores 12-6, and the Juniors beat the Seniors 6-0. Plenty of fun and excitement was involved and the outlook for the next year looks even better.

"Good luck" and "a tip of the hat" to the female football players of SLC

This year's JV squad is young and inexperienced, even the coach is in his first year. Coach Kevin Kear has the tough job of molding mostly freshman into a competitive team. Although they haven't had much luck so far this season they continue to hustle and work hard. Many players are gaining the experience needed to become winners and in the future we're sure they will be winners!

### 8th Grade

The 7th and 8th grade basketball teams this year are both proving to be very strong in both spirit and talent.

Due to a small schedule, both teams have been seeing limited play in games, but seem to contain much potential within the ranks.

Mr. Steve Kmack is the coach of the Junior High team this year and is doing an excellent job in developing the young hoopsters talent.

The fine play of the Varsity and Jr. Varsity teams these past few years, goes to show how important Jr. High Sports really are.

1974 was the first year SLC fielded a lacrosse team. The team had club status for the 74 season and will have it again for the 75 season.

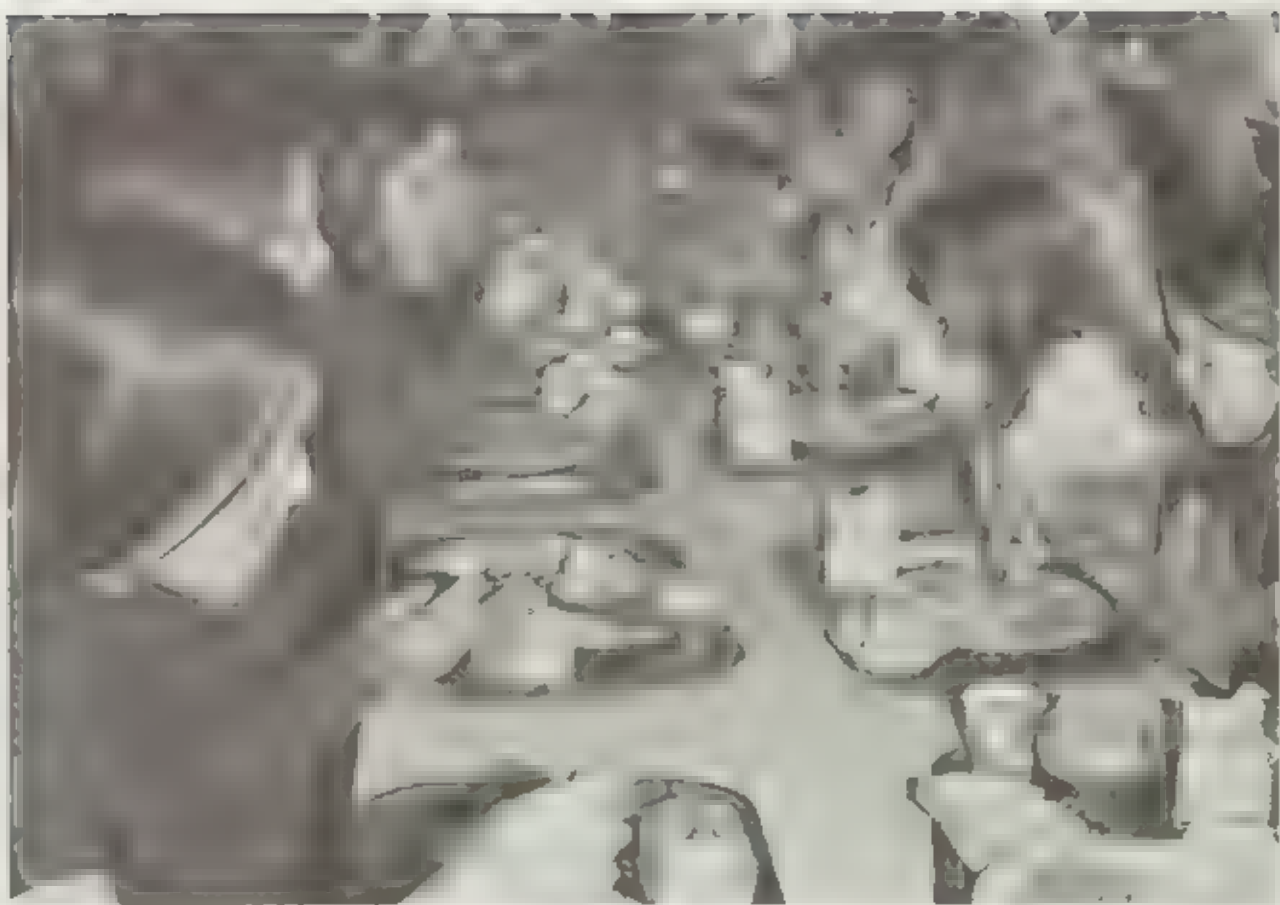

This first year was spent in organizing the sport and teaching all the basic skills.

The club engaged in two contests with OFA and won both of them. The first was a scrimmage which SLC came out on top 3-2. The second was an actual game played here at SLC and the Larries came out on top 5-4. With the addition of new teams it is hoped that the sport will grow and SLC will field a varsity team in 1976.

# *I'll Always Remember*

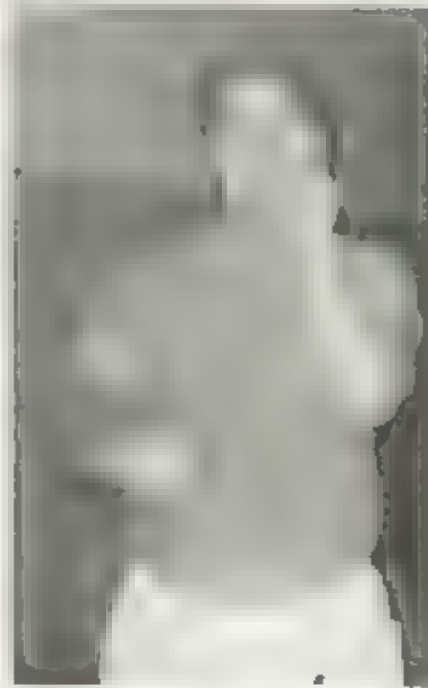

I always remember  
our Senior year  
Time passed so quickly  
then graduation was near

I'll always remember  
friendships we held so dear  
Precious moments remembered  
when we're no longer here

Groovy times at the dances  
Studying for our exams  
Now, now that it's all over  
We'll have to make future plans

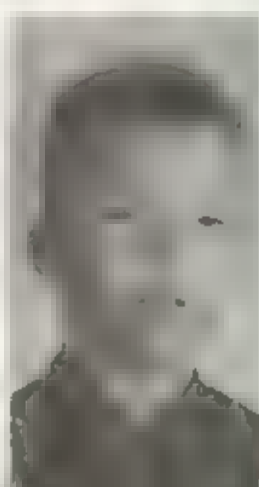

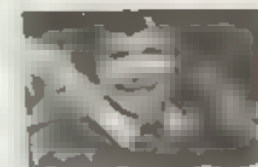

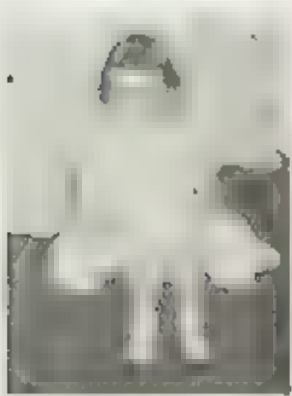

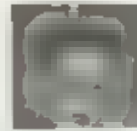

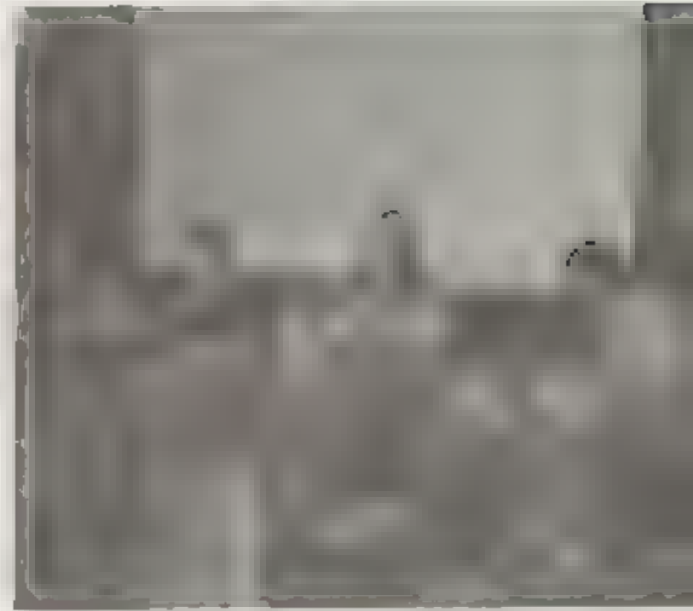

I'll always remember  
The all night party and prom  
high school days are over  
and all our friends are gone

Years may go by I'll remember  
'cause memories grow  
with each dawn  
I'll remember

The above is the table of contents for our yearbook whose theme is " The Way We Were ." We all know how difficult it may be for someone to say good-bye to something which has played a major role in his life. Thus, it is with mixed emotions that we, the Class of '75 leave SLC. Hopefully we will all be able to pick up our yearbooks in the future and think back to  
" The Way We Were "

Mem'ries

light the corners of my mind.  
Misty water color mem'ries  
of the way we were.

Scattered pictures  
of the smiles we left behind,  
smiles we gave to one another  
for the way we were.

Can it be that it was all so simple then,  
or has time rewritten ev'ry line?  
If we had the chance to do it all again,  
tell me, would we? could we?

Mem'ries

may be beautiful, and yet,  
what's too painful to remember  
we simply choose to forget.

So it's the laughter,  
we will remember,  
whenever we remember,  
" The Way We Were "
